

4/9/08

Dear Parents:

I hope you are all enjoying the Easter Season. Please continue to keep in your prayers all of the men and women fighting for our freedom, especially Taylor Dlugopolski '07, currently stationed in Iraq.

Latin Mass

Our Latin Mass was rescheduled to April 17th. As of this date we are not sure of the time of the Mass.

German Students' Experience

Tonight we are having our farewell dinner for our German guests. This has been a very enjoyable group to host. We thank Mrs. Timmermann and Mrs. Ladick for all of their fine work. We look forward to seeing our Assumption students head to Germany next summer.

Prom

Prom this year will be held at the Ridges on Saturday, April 19, 2008. Prom has been held at an off campus site before, and we hope that the Ridges will work out well year. We know that the junior class has worked hard to make this a fun event for everyone. There have been some questions as to whether or not this is a school sponsored event. The answer is yes, and all school rules will apply.

South Wood County Volunteer Recognition Awards

The volunteer recognition awards breakfast will be Tuesday, Apr. 29th. We are very proud that Assumption High School's Kari Powell, President of the Key Club, has been nominated as an outstanding youth.

2008-2009 Athletics

For next school year the sports offered directly by Assumption High School will be unchanged. Survey data showed a lack of support for offering new sports directly through the Assumption High School Athletic Department.

In an indirect way we will expand the number of sports we offer during the winter. We will begin to co-op boys' hockey with Pacelli High School next school year. Pacelli will be the host school for this co-op program. Although it was discussed, we will not be in a co-op wrestling program with Pacelli High School.

Thursday, April 10, 2008

The Assumption building will be off limits to students and community members between 4:00 and 9:00 p.m. on Thursday, April 10, 2008. The police and fire departments will be using the building for training purposes. We believe this will not only be a valuable experience for our local emergency crews, but for our community as well. We hope to learn more about our crisis response plan by practicing with a police and fire presence. We know the more our police and fire crews learn about our building the safer our students are. Please stay away from the Assumption building between 4:00 and 9:00 p.m. on Thursday, April 10, 2008.

Attendance issues

A few attendance issues have come up this school year. The attendance policy for Assumption High School was designed so that our priorities are clear: Faith, Family, School, and everything else. The policy is specific about extra-curricular activities. Attendance does affect whether or not a student-athlete may practice or participate in a competition. Students who are not in attendance for an entire school day may not practice or participate in a competition that afternoon / evening. Students who are on an extra-curricular trip and return home late may not use that as an excuse to sleep in the next day. All students (except for understandable injuries) must be in their homerooms.
